INTERVIEW SUMMARY

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

This Interview Summary is filed in relation to the Examiner's Interview conducted on June 23, 2008 and Examiner Raman's voicemail of June 27, 2008. Applicants wish to thank Examiner Raman for her time during the Examiner's interview. During the interview, the status of the pending appeal was discussed. Specifically, Applicant's Appeal Brief filed in accordance with M.P.E.P. §1204 on April 22, 2008 was treated as the Applicant's Notice of Appeal in addition to the Applicant's Appeal Brief. The U.S.P.T.O.'s PAIR system, however, does not have an IFW entry for the Appeal Brief. Applicants merely advised Examiner Raman of the clerical error. Examiner Raman indicated in her voicemail that the P.T.O.'s records would be modified to reflect that the Appeal Brief was filed.

Applicants appreciated the opportunity to discuss the pendency of the application with Examiner Raman.

Respectfully submitted,
